

THE RESURRECTION PROJECT

Job Description

Position Title	Donor Relations Officer, Institutional Giving
Supervisory Relationship	Director of Development
Work Location	1805 South Ashland, Chicago, IL 60608
Organization General Description	<p>After 28 years and an initial seed capital of \$30,000 from area parishes, The Resurrection Project (TRP) has grown to become a powerful and effective social enterprise that seamlessly blends community development, community organizing, and advocacy with human service delivery to create vibrant, healthier, and involved communities. Our efforts have resulted in leveraging over \$500M in community investment.</p>
General Job Description	<p>Working within the Institutional Advancement Pillar team, and reporting to the Director of Development, the Donor Relations Officer, Institutional Giving creates and directs the department's institutional giving priorities and strategies to increase TRP's visibility, funding, and donor retention. The Officer leads creation and management of a well-coordinated plan to cultivate and solicit support from foundation and corporation sources, and from time to time, government and intermediary sources. The Officer is a moves-management practitioner to steward and strengthen existing resource relationships and establish new relationships with institutional supporters. The Officer leads efforts to continuously improve department processes and procedures that maintain high-functioning synchronization across pillar operations within a highly-dynamic organization. The Officer provides strategic direction and oversight of the assigned staff and interns.</p> <p>Institutional Advancement strategically aligns resource development and organizational leadership development to move the organization towards its aspirational self. The pillar works collaboratively across all TRP Pillars to raise the visibility of the organization, increase resources, and develop and strengthen relationships with leaders who invest their time, talent and treasure through board and committee roles to move the organization forward. A key focus of the Institutional Advancement Pillar during the 2015-2020 years is the \$25M Imagine More Campaign.</p>
Job Duties and Responsibilities	<ul style="list-style-type: none">• In coordination with the Director of Development, direct short- and long-range strategic planning activities to create and implement institutional fundraising goals and objectives.• Oversee the creation and execution of a stewardship and solicitation plan that includes a solicitation calendar for annual funding from corporations, foundations, government pass-through, and intermediaries.• Manage portfolio relationships and the solicitation process for corporate, foundation, government pass-through and intermediary supporters and prospects.• Strategize with senior staff on cultivation and stewardship opportunities, including relevant briefings.• Develop and create tools for revenue generation, including case statements, proposals, annual template, solicitation materials, and other relevant documents.• Develop, monitor, and report on departmental budget as appropriate with the Institutional Advancement team including monthly revenue forecasting

THE RESURRECTION PROJECT
